In these challenging times, one thing will not change. Families will never receive a bill from St. Jude. Thanks to amazing supporters like you, their life-saving work continues. I am trying to raise \$3,000 to hit my fundraising goal for the 41st annual St. Jude Memphis to Peoria Run. Danny Thomas, the founder of St. Jude, believed in the power of small donations. My favorite quote of his is, "I would rather have a million people give me one dollar than one give me a million. That way you get a million people involved". Every single donation helps in the battle against childhood cancer. Please visit ***insert personal fundraising link here*** to donate today.

Even during this time, cancer doesn't stop, so neither will the St. Jude Memphis to Peoria Run. Meet Bella, who was diagnosed with brain cancer at age 1. Bella's family, like all St. Jude families, will never receive a bill from St. Jude – not for treatment, travel, housing or food – because all a family should worry about is helping their child live. Last year, the St. Jude Runs raised \$4.7 million to help save kids like Bella.
