RULES – Must be followed and to ensure everyone has a safe and enjoyable day.

1. Safety vests must be worn any time you are running.
2. We run as fast as the slowest runner.
3. Pace will be set by and maintained by the run captain in each group.
4. If you are exceeding the pace, the run captain will give you 2 chances to slow for the group.
5. Should you need or be asked to get into the chase vehicle at any point during a run, you must get in.

*All start times are estimates and may vary by up to 30 minutes.

** Types are defined by terrain and time of day. We have added speed to some runs for runner's safety.

*** These run segments will be limited to 15 runners or less due to road conditions. All other runs are open.

On open run segments, please keep in mind the "Type" and "COLOR" and please only do run segments in cool weather and/or in hot conditions. If this is not something you can do, please do not run.

Please note the segment description and route colors (PACES: Green, Yellow, Red)

The open run segments are subject to change at any time!
