Support a St. Jude Runner through your Donor Advised Fund
A grant from your Donor-Advised Fund (DAF) can help today's patients become tomorrow's survivors. When you support St. Jude through your DAF, **you can help make cures possible for kids with cancer**. Together, we can save more lives.

Giving to the St. Jude Runs from your Donor Advised Fund is Simple

1. Call your fund manager and recommend a grant to St. Jude.
1. They will send a check directly to the St. Jude Runs from your fund.
2. You can also recommend a gift to St. Jude using our online DAF tool at stjude.org/DAF

Please use the following legal name and tax identification:
Organization Name: St. Jude Runners Association
Address: 1320 W. Commerce Dr. Peoria, IL 61615
Tax ID Number/EIN: 37-1289235

What to Include in your DAF Submission
The grant will arrive to St. Jude with the fund's name and address on it unless you request otherwise. Please request for your name and address to be included. You may also want to call St. Jude and inform them of your gift, so you can be recognized for your generosity.

Make sure the following information is included in your DAF submission:

2. Donor name and address (from the DAF donor)
3. St. Jude Runner participant name
4. St. Jude Runs Satellite City

Things to Remember

1. A grant from a DAF is not permitted to confer benefits for items such as raffle tickets, entry fees, tickets to galas and other special events, and auction items.
2. Per IRS standards, we are unable to bifurcate or split payments to allow for the DAF donation to cover only the charitable portion of a benefit item.
3. If you have a donor advised fund, you received an immediate tax deduction when you contributed to the fund. Often, well-intentioned people with donor advised funds allow their fund to grow without disbursing grants to charities. This means that for tax purposes, you have given to charity, but no one has benefited from your donation.

Please see your legal and/or tax advisors for more information and to determine if giving through your donor advised fund is right for you.

For more information about this event or other ways of giving to St. Jude including IRAs, Stocks, CGAs, planned giving, or other gift types, contact: *Gina Seghetti at Gina.Seghetti@alsac.stjude.org*
