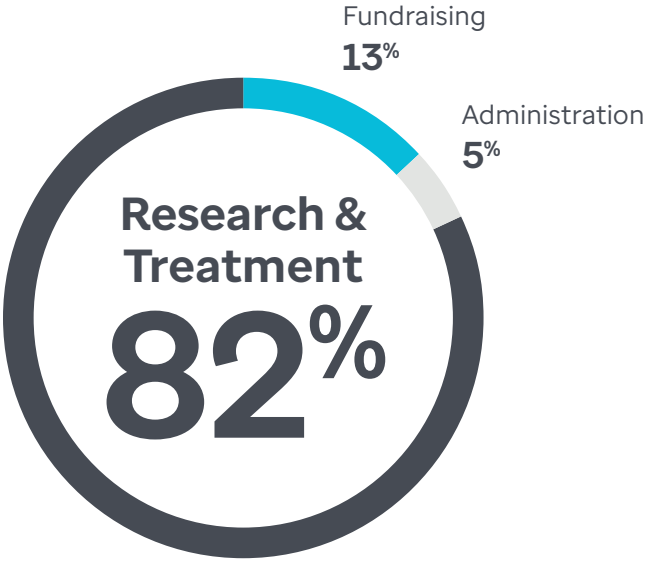
Financial Highlights

Because of donors like you, families never receive a bill from St. Jude for treatment, travel, housing or food – so they can focus on helping their child live. The support of donors gives St. Jude the freedom to focus on what matters most – saving children regardless of their financial situation.

St. Jude patient **Georgia**, blood cancer



Eighty-two cents of every dollar

received from generous donations, research grants, insurance recoveries, licensing and investment returns goes to support the current and future needs of St. Jude.

of the funds necessary to sustain and grow St. Jude must be raised each year by ALSAC from generous donors.

$43 average donation

This donation could help cover the cost of four platelet count tests.

Treatments for some childhood cancer patients at St. Jude can last more than 3 years and cost hundreds of thousands of dollars, in some cases exceeding $1 million.
